IFMA Chicago

Join Us!

Membership Info

- IFMA is the world's largest international association for facility management professionals, supporting 20,000+ members in more than 100 countries.

First-year IFMA members are required to join a component – a chapter, council or community – to help them get the most out of their membership. IFMA members who live or work in the Chicagoland area are invited to join IFMA Chicago to connect and grow with local FMs. Chapter members receive both IFMA and chapter benefits.

IFMA Benefits

IFMA helps members advance personally and professionally through career development, learning, networking opportunities and leadership skills - and the world's best FM events.

The Career Resources You Need To Succeed

Propel your career forward, find better solutions faster, keep pace with the changing industry and bring additional value to your organization with IFMA's programs and services.

The Training You Need For The Career You Want

IFMA's educational offerings help facility professionals from all backgrounds and experience levels develop the skills they need for career advancement.

The Networking You Need To Advance

With your IFMA membership, you will make the connections and build the relationships needed for a successful career in facility management.

The Opportunities You Need To Make An Impact

Make a lasting contribution to IFMA and the facilities management profession by taking advantage of an IFMA leadership opportunity.

The Events You Need To Grow Your Career

IFMA Events are designed for FM professionals of every career level and will help you develop personal and professional skills.

--------------------------	-------

The Value Of Belonging

IFMA Membership is tailored to your needs. Each membership category offers the opportunities to learn, connect and advance based on your unique objectives. You must join IFMA to join a chapter.

"IFMA membership has given a lot more in return than what it has cost in dollars. If I was to put one word on my membership, I'll just say "priceless" because in a lot of ways it's hard to put a value on something that has given a lot to me over the years.

– Dean Stanberry, CFM, LEED AP
